

THE UNITED AUTO WORKERS ARE CALLING OUR CUSTOMERS AND TELLING THEM TO **STAY AWAY FROM OUR CASINOS**

They are lying to our customers and lying to you...
with negative ads, pickets and threats of a strike

**If we lose customers,
we may lose jobs**

(...and not just dealers' jobs)

"for the workers"
do things that
hurt the workers?

**DON'T
let the
UAW turn
Atlantic City
into the
next Detroit**
