

THE UNITED AUTO WORKERS ARE CALLING OUR CUSTOMERS  
**AND TELLING THEM TO STAY AWAY FROM OUR CASINOS**

**They are lying to our customers and lying to you...**  
with negative ads, pickets and threats of a strike

**If we lose customers,  
we may lose jobs** (...and not just dealers' jobs.)

Why would a group that is **"for the workers"**  
do things that **hurt the workers?**

**Don't let  
the UAW  
Turn Atlantic  
City into the  
Next Detroit!**

WHAT IS THE  
**UAW**  
DOING?
