

THE UNITED AUTO WORKERS  
ARE CALLING OUR CUSTOMERS  
AND TELLING THEM TO  
**STAY AWAY FROM OUR CASINOS**

They are lying to our customers and lying to you...  
with negative ads, pickets and threats of a strike

**If we lose customers,  
we may lose jobs**

(...and not just dealers' jobs)

Why would a group that is  
**"for the workers"**  
do things that  
**hurt the workers?**

**DON'T let the UAW  
turn Atlantic City  
into the next Detroit**
